Hello,

It is fascinating how you, who keep shouting at everybody in customer support, have the audacity to call us rude.

However, we will grant your request to keep services operating under the current restrictions until the end of this week.

As a matter of simplicity for us, we will keep services operating for all three domains.

info <info@spanosthomas.com>:

> Gentlemen.

>

> I have been your client since 2017 and every Christmas and Easter I
> send bulk emails. You made a remark to me two years ago with your
> upgrade and since you did not bother me again I send greeting emails on the holidays.
> This year, instead of observing me, in order for me to comply with
> something that you did not do to me all the previous times, you are
> expelling me from your host. You are on order and you know this very
> well, relentless in your decision that I could not believe.

>

> With your perseverance and rude behavior I realized that I have to get
> away from you.

>

> As you can see, my removal has begun. Because you are ruthless, I want
> to ask you and inform you about the following: My email
> info@spanostomas.com is very important to me. I ask you to be patient
> for a few more days until I leave smoothly. If you do not respect our
> cooperation so far, which you have already offended and you do not
> have patience until I leave smoothly and if my sites fall, then I
> inform you that I will address every competent authority and
> institution at the highest global and European level for everyone to know your behavior.

>

> So I ask you to keep my sites alive until I leave smoothly, as we had
> Easter the previous days and I did not catch. Otherwise I promise you
> that you are going to regret this behavior.

>

> Finally, keep in mind that:

>

> I have already paid you for the services you provide to me for a long
> time to come. I have also paid you for the registration of the
> spanos.market which you did not register and you are holding my money.
> In fact, you have done this in the past with another of my domains and
> you did not send me the money back. It is a given that your behavior
> should be made known internationally.
